### Canada Post Installation

Mailboxes come with a one-year warranty from date of delivery; against any defect in material or workmanship. We will not assume any responsibility for any damage (i.e. dents, scratches, etc.) or malfunctions due to faulty installation. An installation guide is provided with the purchase of each mailbox unit. All units must be installed plumb, level and square, and fastened into a solid frame with the appropriate screws. Installers must ensure that the frame is solid prior to installing the mailboxes.
